The Blåkläder FR Hoodie delivers flame-resistant protection in a classic, comfortable design. Made from durable FR fabric, it provides essential safety while maintaining a soft, flexible feel. Designed with a ribbed neck, cuffs, and waist for a secure fit, a fixed hood, along with a discreet phone pocket in the right side panel, this crewneck blends function with everyday wearability. Built for professionals who need dependable FR protection, it's the perfect hoodie for long days on the job.
